

FALL CLUBS 2018

Photography Club	Mr. DeBlock	Tuesdays 3-4 pm	STEM Lab/304	Do you love to take photos and share them with others? Want to learn the basic and advanced techniques of photography? Join us as we take photos around the school. In addition, we will learn basic and advanced photo editing and "photoshopping" skills. All levels of photographers can join. Camers will be provided or you can bring your own. Your photos could be used on the school website, the hallway displays and the school yearbook.
Cross Country Club	Mr. Skea/Ms. Strippoli Mrs. Morfing	Tues/Thurs 3-4 pm	Room 305	Learn how to train for endurance events and improve your condition for other sports and activities.
Animal Welfare Club	Ms. Knyfd/Mrs. Ninesling	Wednesdays 3-4 pm	Room 301	This club meets once a week creating fun activities revolving around animals in our community. We also have animals come in to visit.
Cyber Robotics Coding Club	Mr. Opremcak	Wednesdays 3-4 pm	Room 304	The Cyber Robotics Coding Competition is an exciting and fun event for students of all levels to participate and learn about STEM, coding, robotics, and technology career paths. It uses a cloud-based simulation platform featuring a virtual, 3D animated robot and focuses on code development and teamwork.
Morning Yoga Club	Mrs. Dugan	Wednesdays <b>7:25 am – 7:55 am</b>	MPR	This club will introduce students to the practice of yoga and help students manage stress and anxiety while building flexibility, muscular strength and body confidence.
MAD4Kids Club	Mrs. Ebanietti/Ms. Traficante	Wednesdays 3-4 pm	Room 404	MAD4Kids is a club created by kids for kids. The main objective of this club is to increase global awareness and sensitize Wyckoff students about the plight of less fortunate children locally and around the globe. Students then decide the steps they need to take in order to make the world a better place.
ReAct Club	Mrs. Dobson/Mr. DeLoughry	Wednesdays 3-3:40 pm	Room 208	ReAct is a student-led service organization in which students donate their time and raise money for important causes. Annual activities include a car wash for the Wyckoff Fire Department, a holiday visit to the Christian Health Care Center and an after-school party for children who visit us from Oasis in Paterson.
Math Club	Ms. Boykas/Ms. Clooney	Wednesdays 3-4 pm	Room 504	Math Club is open to 6 <sup>th</sup> , 7 <sup>th</sup> and 8 <sup>th</sup> graders who love to be challenged by math. We will collaborate and train for math competitions, play math games, and exercise our math minds!
Science Olympiad	Mr. DeBlock <b>Space is limited – please see Mr. DeBlock</b>	Wednesdays 3-4 pm	Room 304	The Science Olympiad is a nation-wide science competition. A team of students will compete in events about biology, engineering, astronomy, geology, environmental science, forensics, and disease. Events require teams to build, perform labs, or take tests in up to 20 events. Our regional competition is January and the state finals are in March. Some prep may have to be done outside of our meeting times.
Student Alliance	Mrs. Dobson/Ms. Getrajdman	Thursdays 3-4 pm	Room 413	The Student Alliance is a student-run club in Eisenhower that wants to bring together LGBTQI+ and straight students to socialize and create a platform to fight for racial, gender, LGBTQ, Social and Economic justice.
Let the Games Begin	Ms. Knyfd/Mrs. Ninesling	Thursdays 3-4 pm	Room 311	This club will allow students to "Battle" each other with a variety of games including Battleship, Sorry, Yahtzee, Checkers, Chess, etc.
Model UN Club	Ms. Bolognini Mrs. Moolji/Ms. Traficante	Thursdays 3-4 pm	Room 407	For students who are interested in world affairs and making a difference! Twice a week after school, students will research and create proposals for real-world, global issues. They will learn how to write resolutions, work in committees to gain support for their plans as well as understand committee etiquette and foster competitive spirit. Selected members will attend the International Middle School Model UN Conference in NYC at the end of March.
A/V Club	Mr. Urban	Varies Depending on Eisenhower A/V Needs	Room 107/MPR	Students will learn to work with the school lighting and sound system in order to provide support for Eisenhower MS events such as the school play, musical, student council events and any other needs the school has. Some additional activities such as learning to solder, fix cables and help set up wiring for microphones and speakers will also be included. Students who are interested

## FALL CLUBS 2018

				should contact Mr. Urban to sign up for notifications. Meeting days and times will vary as the school's needs vary.
Girls' STEM Club	Ms. Graziano	TBD 3-4 pm	STEM Lab	Girls' STEM is a club open to 6 <sup>th</sup> , 7 <sup>th</sup> and 8 <sup>th</sup> grade girls who have an interest in STEM, Science, Technology and hands-on learning. It allows the girls time to explore their interests, learn new techniques, tools and machines while also participating in fun and engaging design challenges! All new and returning members are welcome.
