

Dear Eisenhower Community,

This Memorial Day weekend, as we spend time with family, we also pause to remember and express our gratitude to countless brave people who have served and sacrificed for our country.

As we head into the final weeks of this school year, I want to thank you for your support along the way. The unwavering dedication of our staff and the resilience of our students have brought us to where we are today. Full days of learning. Students eating lunch in school. Students socializing. The accomplishments of spring will make our transition to September 2021 easier.

We invite you to see more on our Twitter handles - @wyckoffschoools, @igracewhite and @WPSEisenhower

Best,

Grace E. White and Chris Giordano
