

# Eisenhower Weekly Newsletter

April 1, 2021

Dear Eisenhower School Community:

As I watched the EMS school musical, Annie Jr. last evening, it made me focus the good during these days of uncertainty. In the most challenging times, our school musical was reimagined and reenvisioned. Thank you for your positive approach to making something like this happen for our students. My thanks and admiration to Catherine Savery, Krystal Knyf, Shyret Murati, Cassidy DeMona and the cast!

Best,

Grace E. White

## **Updated - Wyckoff Summer Academies Counselors**

Summer Academies is seeking additional volunteer counselors. This volunteer program is now open to Wyckoff School District's current **7th and 8th-grade students**.

Eisenhower's current 7th and 8th grade students can gain valuable experience working with younger students in the summer program. Students will be assigned to Summer Academies' teachers to help. Volunteer students will receive community service hours.

Due to the high popularity, at this time we are only accepting applications for full attendance during a session - 8:50 am to 1:30 pm. A lottery system will be used based upon need. Please complete one form per child by the end of the day Friday, April 9, 2021. Students will receive acceptance letters during the week of April 12.

## **Travel During COVID-19**

As a reminder, please adhere to the continually updated CDC [guidelines](#). If you are traveling and your child will quarantine upon your return, please email [Bonnie Van Dyk](#) and Susan Yadoff to let them know your child will attend classes virtually. Please include dates in your communication.
