

Eisenhower Middle School Weekly Newsletter

Dear Eisenhower Community,

This week has been a good one at Eisenhower Middle School. Our outdoor spaces have been spring cleaned, and are already being used as learning spaces. May 3 is our target date to return to full day in person learning. During our full days, we will have time for students to eat lunch. An extended lunch period will be created which includes time for TIEE, Recess, and eating lunch. Small, socially distanced cohorts will rotate through these groups during the period and they will be outside as much as possible. Students will need to bring their own lunches. I suggest lunches are packed in insulated lunch bags.

We look forward to having students engage, learn, and socialize in a full day learning environment. Thank you for working with Chris Giordano and me in a positive manner that fosters innovative solutions to the challenges of this season.

Next week, Chris Giordano will lead the building as the administrator in charge.

Best,

Grace E. White

Grade 8 Promotion

Royal blue gowns for all grade 8 students have been ordered by families. Attire underneath gowns is typically semi-formal such as dresses, dress pants, blouse, khaki slacks, a button-down shirt or polo.

Grade 8 Cafeteria Balances

Outgoing 8th graders with cafeteria balances will have these funds automatically refunded or transferred to younger siblings within the district. The refunds will be issued in the summer after the school year has closed.

Standardized Testing

The New Jersey Department of Education (NJDOE) announced this week that the New Jersey Student Learning Assessment (NJSLA), the state's annual standardized test for students in Grades 3-8 measuring progress in English Language Arts, Mathematics and Science, will not be

administered this spring, and that the NJ Start Strong assessment will be administered in the fall in its place.

EMS Adopt a Garden is looking for Volunteers!

The family gardening project last summer was a great success and is being organized again this summer. There are currently FOUR available raised beds for adoption.

There are two ways to participate:

1. If you don't have a green thumb, you can volunteer to clean up and weed a bed.

OR

2. You can volunteer for a raised bed to both weed and plant.

If you are interested in getting involved or have any questions, please email Beth -- bethfischer13@gmail.com.

Raised beds will be assigned on a first come, first served basis. You may also opt to share a bed.
